ARMED JOY

DOCUMENTATION ARMED JOY, RESISTANCE, RIOT, STRUGGLE

Let's be done with waiting, doubts, dreams of social peace, little compromises and naivety. All metaphorical rubbish supplied to us in the shops of capitalism. Let's put aside the great analyses that explain everything down to the most minute detail. Huge volumes filled with common sense and fear. Let's put aside democratic and bourgeois illusions of discussion and dialogue, debate and assembly and the enlightened capabilities of the Mafiosi bosses. Let's put aside the wisdom that the bourgeois work ethic has dug into our hearts. Let's put aside the centuries of Christianity that have educated us to sacrifice and obedience. Let's put aside priests, bosses, revolutionary leaders, less revolutionary ones and those who aren't revolutionary at all. Let's put aside numbers, illusions of quantity, the laws of the market. Let us sit for a moment on the ruins of the history of the persecuted, and reflect. The world does not belong to us. If it has a master who is stupid enough to want it the way it is, let him have it. Let him count the ruins in the place of buildings, the graveyards in the place of cities, the mud in the place of rivers and the putrid sludge in the place of seas. The greatest conjuring trick in the world no longer enchants us. We are certain that communities of joy will emerge from our struggle here and now. And for the first time life will triumph over death.
